Students with Special Needs/Requests for Accommodation

Professor Pothier is the faculty advisor to students with disabilities. Students wishing to discuss in-class accommodation or in-class study assistance needs should see Professor Pothier.

Students seeking special accommodation with regard to any aspect of course evaluation (including exam deferrals and extensions to deadlines) must make an application to the Studies Committee. Academic regulations require such requests to be made as soon possible and, in any event, no later than the date on which the exam is to be written or the paper or other assignment is to be submitted. Students should contact Associate Dean Michael Deturbide or Assistant Dean Elizabeth Hughes for more information about requests for accommodation and about the Studies Committee process.
