Subject: New code for Real Estate; New time for ADR

Importance: High

Hello, everyone:

Here are two updates to bear in mind as you plan your 2011-12 course lineup:

1. Real Estate Transactions is now LAWS 2232. The CRN for that course this fall is 14853.
2. Alternative Dispute Resolution has been rescheduled. It's still being offered in the Winter term, but now the class will be held Wednesdays from 4:30 to 7:30 pm. That change is already reflected in the Dal.Online registration system, and it will show up later today on the timetable posted on the law school's website.

Best regards,

Judy
